

DESTINATION

Chatham Bars Inn is Cape Cod's most beloved and storied oceanfront destination for family vacations, romantic getaways, and corporate retreats. First opened as a luxury hunting lodge for wealthy Bostonians in 1914, today it is a full-service Forbes Travel Guide Five-Star year-round resort with 217 individually decorated rooms and suites, a quarter-mile private beach, an oceanfront pool, endless recreational options, exceptional dining, and an exclusive wellness spa. Perfectly situated along the water and a short stroll from Chatham's charming Main Street, Chatham Bars Inn has retained its original turn-of-the-century charm and breezy, seaside ambience, while adding the modern comforts and amenities associated with luxury living.

ROOMS AND SUITES

The Inn's 217 rooms and suites are located in the Historic Main Inn and 30 Cottage-style buildings throughout the 25-acre property. The accommodations offer stunning views of Chatham Harbor, the Atlantic Ocean or the Inn's beautiful gardens. The quintessential New England-style cottages are arranged with additional space and privacy in mind, many with patios or decks and gas fireplaces. Located above the Spa are 12 adult-only spa suites, designed with luxury, relaxation, and pampering in mind. These suites feature oversized hydrotherapy tubs, saunas, steam showers, and fireplaces.

THE SPA AT CHATHAM BARS INN

The Spa offers the finest in luxury treatments and amenities with five oversized treatment rooms, five seasonal outdoor massage cabanas, a relaxation room, saunas, steam showers, a Zen garden, an outdoor adults-only pool, and a hot tub. The Inn's private dining rooms and wine cellar host groups from 12 to 70, and the farm welcomes guests to public and private farm-to-table dinners.

WORLD-CLASS BOATING

The Inn's custom-designed 18-person "Bar Tender" boat offers seal cruises, evening champagne cruises, and private charters as well as daily launches to the Cape Cod National Seashore's North Beach Island. Sail aboard "Stars & Stripes" or fish on the 34-foot Regulator "StarStruck". Whale watching from the Inn's 38-foot Shelter Island Roundabout "Shooting Star" brings you up close and personal to these amazing creatures. Private charters whisk you to Martha's Vineyard and Nantucket. Or, for a once-in-a-lifetime adventure, take a front-row seat with the Atlantic White Shark Conservancy to shadow great white sharks off the coast of Cape Cod.
